

## OUR PURPOSE

To provide a Biblically-based pre-school program that acts as an introduction to structured educational activities. This program works as a gradual transition into full-time public, private, or Christian schooling. It serves families and reaches out into the community.

## OUR PHILOSOPHY

Bowmanville Christian Pre-School is an enriched christian program, providing a warm and caring atmosphere where children may choose to participate in child and adult-directed activities in order to promote healthy, overall development.

Through play experiences, the guidance of qualified staff, and careful program planning, the children will be exposed to situations at their level of development that will stimulate cognitive, social, emotional, physical, and spiritual growth.

## OUR PROGRAM

The curriculum of Bowmanville Christian Pre-School consists of weekly themes and ongoing skill development, based on the needs and abilities of each child. The following learning centres are set up daily to invite the children to come, see, do, and learn. They allow the children to make choices and move freely and independently.
